Reference: AIP Amdt 26/11

This bulletin corrects a mistake in the correct routing of the Colombia bulletin issued 30/01/2012 13:02:54. We apologise for any confusion this may have caused.

Please be aware that Airways **A323** and **W46** have been incorrectly coded using waypoint DELTA in Navtech/EAG databases.

The airways have been coded to route BOG – DELTA – MQU.

The **correct routing** should be **BOG – MQU** and this has been corrected for cycle 1203.
